A PARADIGM SHIFT

ArrowMight's *Learning for Life* Program represents a paradigm shift in Learning!

For adults seeking change and opportunity in education, employment, and earning potential, *Learning for Life* is a life-changer.

This unique home-study option means **accelerated learning** in reaching functional literacy for the modern Canadian economy. The study at home option means the student learns in the comfort of their own place, their own space, and at their own pace, together with their family!

ArrowMight Canada provides a wealth of support

All student resources, on-screen Teleteachers, HD-DVD lessons, one-to-one student support and monitoring by a Community Facilitator, colourful easy-to-understand graphics & video, and a laptop for Module 4.
